Jonathan,

I'm working on setting up the meeting you requested with our Deputy Commissioner to discuss 03R-21-R4 TDEC Byhalia.

On a separate, but related topic, we are actively working on our response to the complaint, which we reckon to be due on July 15. We're making good headway and I anticipate meeting that deadline. I am curious, though: should we need an extension of time, do you ever grant them? I may have overlooked this in the ECRCO Case Resolution Manual, but I didn't see it addressed.

Thanks,
